COOKIE POLICY

To make our website easier and more enjoyable, we use cookies throughout the site. Cookies are little pieces of data that allow us to compare new and past visitors, understand how users navigate through our site, and provide us with data that we can use to make the experience more enjoyable and more effective in the future.

Cookies do not log any personal information about a user, and identifiable data will never be stored. If you would like to avoid the use of cookies, you must tailor your computer settings to erase all website Cookies and/or notify you via a warning if cookies are being stored. To proceed without changes to the cookie implementation, simply continue to the site.

Visit **http://www.aboutcookies.org** for more information about cookies and how they affect you and your browsing experience.

The types of cookie we use

Google Analytics

This website uses Google Analytics, a web analytics service provided by Google, Inc. ("Google"). Google Analytics uses "cookies", which are text files placed on your computer to help the website analyze how users use the site.
The information generated by the cookie about your use of the website (including your IP address anonymous) will be transmitted to and stored by Google on servers in the United States. Google will use this information for the purpose of evaluating your use of the website, compiling reports on website activity for the operators and providing other services relating to website activity and internet usage.
Google may also transfer this information to third parties unless required by law or where such third parties process the information on Google's behalf. Google will not associate your IP address with any other data held by Google.

You may refuse the use of cookies by selecting the appropriate settings on your browser, however please note that if you do this you may not be able to use all features of this website.
By using this website, you consent to the processing of data about you by Google in the manner and purposes set out above. You can prevent Google detection of a cookie that is generated as a result of and related to your use of this website (including your IP address) and the processing of such data by downloading and installing this plugin for the browser: **http: //tools.google.com/dlpage/gaoptout?hl=en**

Other cookies of third parties

On some pages of our site you may be content to services like YouTube or Facebook. We do not control cookies used by these services, so we encourage you to access the website of these third parties to relevant information.
By using our website, you agree that we can place these types of cookies on your device.
